

[AIESEC Innovation] Global Survey

Dear [INSERT NAME],

My name is Yasmine Benkirane and I am the VP Innovation of AIESEC in Lausanne. You are probably asking yourself: « But what is this new team ? What is its purpose ? ». Our main activities are brainstorming and implementing brand new ideas. My goal is to improve LC performance by optimizing, modifying, and generating efficient processes.

I need **your help**. It would mean the world to us if you could fill out this 5 min survey. **Your answers** will allow us to deepen our understanding of how things work in your LC and get inspired to implement **your** processes here in Switzerland.
